Mold Primestock Report - Monday 11th December

Mold Dairy Sale

Another large weekly entry of 58 dairy this week, to include a dispersal sale of 39 cows from a farm near Chester.

One of the largest shows of buyers we have seen for a while were in attendance with their result a very pleasing trade.

Not quite the quality forward as last week, but none the less, all those sold were keenly contested.

A shared top price of £1,880 this week, both for HF heifers.

A pure Brown Swiss sold for £1600.

Within the cow section, these peaked at £1420 twice for fresh calved 2nd & 3rd calvers.

An entry of in calf cows sold for £1300 & £1180 for 4th calvers.
