Mold Primestock Report - Monday 26th February

## Mold Dairy Sale

Another nice entry of dairy. Trade is still slightly subdued but 2 nice heifers reached £2020 & £1920

An entry of in calf hfrs were difficult to place with the best making £1280, £1200, £1200

Generally buyers are currently very selective and something which doesn't catch their eye can be hard work to sell.
