Mold Primestock Report - Monday 15th April

DAIRY REPORT

A larger entry of 39 dairy, to include the part dispersal sale from Thomas Foel Holyhead. The increased entry drew in a larger show of buyers ringside. However, even with a larger number of buyers forward, there was still reluctance to pay for stock. Maybe when weather improves, we will see a lift. As usual, best demand was for the better quality

Topping the sale was a fresh calved hfr, selling for £1800
