

Market Report

Mold Primestock Sale Monday 26th August 2024

Dairy Sale Comment:

12 dairy entries this week and some excellent quality on offer again. Trade did not disappoint! A phenomenal average of £2245 all in. Trade topped at £2550, followed by £2500, £2480, £2450 x2, £2380 etc with 7 heifers and 5 - 2nd calved cows making up the entry. Only three under £2000.

Primestock Sale Comment:

Beef would seem dearer again, with similar numbers forward. Cows in short supply.

Market Report
