Mold Primestock Sale - Monday 23rd September 2024

## Mold Dairy Sale

A nice entry of 16 dairy. Quiet around the ring, but those preset helped well.

Trade topped at £2,200 for heifers and also £2,200 for cows. Others sold for £2,000 and numerous heifers between £1850- £2000.

## Mold Primestock Sale

Following the same trend as last few weeks, with a good number of cattle forward.

Slightly mixed show today – some runs of plainer/leaner cattle forward, although these sold at good rates to feeding men. Well finished cattle still selling at a premium.
