Mold Dairy Sale - Monday 22nd December 2025

A small entry to finish the year off with 8 forward – 6 fresh heifers and 2 fresh young cows

There were an equal number of buyers to the dairy forward this week and as such trade was faster than the last week or so. However, there is a reluctance to overpay for obvious reasons and it seems it is the barren price which is keeping the trade as dear as it is.

Dewi Jones Plas Pigot took the top 4 spots today, with two making £2,100 and two making £2,000. The top two were sired by a Denovo bull (Evermore & Kenmore). They were calved 9 and 11 days and giving 26 & 27 litres.
