Mold Dairy Sale - Monday 26th January 2026

## Mold Dairy Sale - Monday 26<sup>th</sup> January 2026

A nice entry of 18 forward today, all being fresh calved. 15 heifers and 3 cows.

It was pleasing to see so many buyers ringside and online, but understandably trade remains depressed.

3 heifers over £2,000 today (£2,250, £2,200 & £2,200). Other at £1,900 and £1,820.

Cows topped at £1,800 for a 2<sup>nd</sup> calver, with a 4<sup>th</sup> calver making £1,700

# Market Report

Mold Store Stock Sale - Friday 23rd January 2026

## Mold Market Report - Friday 23<sup>rd</sup> January 2026

Another outstanding seasonal entry of 347 stores and stirks. With another strong entry expected next week, this looks set to be a record-breaking start to January for the number of stores and stirks passing through the ring.

Trade remains on fire, with strong demand across all types of cattle. A smaller entry of 78 calves met an unbelievably strong trade, with prices dearer again! An incredible trade from start to finish.
