Mold Dairy Sale ~ Monday 16<sup>th</sup> February 2026

A smaller entry of eight dairy cattle was met by a strong ringside of buyers, ensuring another brisk and competitive trade throughout.

Top price on the day was £2,600, achieved by Jones Bryn Rhydd, Pwllheli for a heifer sired by Wavelength. Calved one month, she was yielding 37 litres.

Jones Hendy, Caernarfon sold a homebred pedigree heifer for £2,450. The heifer had calved three weeks prior, was giving 34 litres, and was sired by Denovo August.

Next in line was William Graig, who realised £2,320 for a heifer calved just 10 days, producing 28 litres.

Also over £2,000 was the Roberts family of Plas ym Mhowys, who continued their ongoing dispersal. A smart fresh Holstein Friesian heifer attracted plenty of interest and sold for £2,120.
