Mold Dairy Sale Monday 16th March 2026

Mold Dairy Sale

Comment:

A nice entry of 22 dairy cattle today comprising 10 freshly calved heifers, 1 fresh cow, and 11 HF bulling heifers.

Trade on the fresh heifers was generally good, but the ring was quiet with buyers and they were fairly selective. The best quality animals were easiest to place, with 6 of the entry making £2,100 or more.

The top price of the day was £2,500, achieved twice by Evans, Erw Fawr, Holyhead, selling two homebred pedigree heifers, both calved just under one month and giving 28 litres. His third heifer sold for £2,100.

Jones, Hendy had one heifer and one second-calver this week, both homebred pedigree animals. The heifer, calved 5 weeks and giving 38 litres, sold for £2,300. The cow, giving 41 litres, made £2,100.

Parry, Sychdyn Farm sold a heifer calved 2 weeks, out of Applejax, for £2,120.

The Holstein-Friesian bulling heifers sold between £1,120 and £1,190.

Market Report

Mold Store Sale Friday 13th March 2026

Comment:

A fantastic entry of 548 cattle came forward today, with trade remaining exceptionally strong across all sections.

Store cattle met another flying trade, with all types eagerly competed for by buyers.

Stirks stepped up another gear again, with demand continuing to grow week by week and more required to satisfy buyers.

The calf ring was packed to the rafters for a large entry of calves and weaned calves, which met a tremendous trade from start to finish.
