Mold Dairy Sale ~ Monday 23rd March 2026

A pleasing entry of 32 dairy cattle this week, comprising 12 freshly calved heifers, 1 fresh cow, 6 Holstein Friesian bulling heifers and 13 young maiden heifers.

The top three prices today were all achieved by Evans Erw Fawr. All were homebred pedigree animals, calved 2–3 weeks and yielding around 30 litres. Sired by Meadow, Lookout and Midmarch, they sold between £2,400 and £2,500.

Hughes Yoke House presented a lovely homebred pedigree second calver, which sold for £2,250. This price was matched by Parry Sychdyn, who sold a homebred heifer sired by Applejax.

A special entry of young 6-month-old heifers from James Handley met a strong trade, with all animals selling above £700. The best prices reached £820 (twice) and £795 (three times).

Mold Primestock Sale ~ Monday 23rd March 2026

Increased entries of beef was pleasing and these were easily absorbed and met with another brisk trade. There is a strong demand for cattle passing through the live ring at the present time. There was a disappointing entry of cull cows; however, trade remained fierce. The presence of onward feeders continues to add value, particularly for plainer cows destined for further feeding, while well-fleshed cows meet exceptional demand each week.

Hoggets and cull ewes were a flying trade
