Mold Store Stock Sale ~ Friday 1st May 2026

Another large entry of 493 store cattle and stirks was recorded this week, although the overall size of cattle were slightly reduced. The offering consisted of 268 stirks and 225 store cattle.

Despite current pressures on beef prices, trade remained relatively strong. However, the recent downturn in the beef market has led to an easing in store cattle rates.

Calves continue to command high prices, with a pleasing entry of 163 head forward.
